

Call for Participation

We invite you to join us in **6th International Conference on NLP & Data Mining (NLDM 2026)**. This conference offers a premier global platform for researchers, practitioners, and industry experts to exchange knowledge, discuss breakthroughs, and explore emerging trends in Natural Language Processing and Data Mining. As these fields continue to evolve rapidly driven by advances in large language models, deep learning, multimodal systems, and scalable data analytics, NLDM 2026 aims to foster collaboration and inspire innovative solutions to complex real world challenges.

Highlights of NLDM 2026 Include:

- 10th International Conference on Computer Science, Information Technology and Artificial Intelligence (COMIT 2026)
- 15th International Conference on Signal & Image Processing (SIP 2026)
- 13th International Conference on Wireless and Mobile Network (WiMNeT 2026)
- 12th International Conference on Artificial Intelligence and Soft Computing (AISO 2026)
- 6th International Conference on Cryptography and Blockchain (CRBL 2026)
- 6th International Conference on Big Data, IoT and Machine Learning (BIOM 2026)
- 5th International Conference on Education, Pedagogy and Technology (EDUPT 2026)
- 5th International Conference on Software Engineering Advances and Formal Methods (SOFTFM 2026)
